Welcome to this highly sought-after one-level townhome in the desirable Homestead Hills neighborhood of Woodbury. This bright and thoughtfully updated home features a dramatic vaulted main level highlighted by an electric fireplace with beautiful wood faade detail. The kitchen has been tastefully refreshed with new flooring, granite countertops, tile backsplash, under-cabinet lighting, and newer stainless-steel appliances including a 2024 electric range. Custom soft-close wood drawers with pull-out trash add both convenience and functionality. Additional updates include updated bathroom fixtures and light fixtures, Andersen windows and additional insulation around the windows, and excellent storage throughout, including laundry room upper cabinets and linen cabinet in the primary suite. A Solatube skylight in the kitchen provides wonderful natural light. Enjoy newer mechanicals for peace of mind: furnace, water heater, softener, and reverse osmosis system (2024), plus A/C (2021). The sunroom is a standout feature, offering sunny southern exposure and access to a private-feeling patio with no homes directly behind.
